

Remarks:

Claims 1-19 have been elected for examination on the merits. Newly added claim 28 depends upon claim 11 and is drawn to a process of preparing the baked product of claim 11. Claims 29-35 depend upon claim 28. Basis for these claims is found in the specification at page 8, line 24, to page 9, line 3; page 9, lines 9-20; page 13, line 1, to page 15, line 16; page 17, line 9, to page 18, line 5; page 20, lines 4-23, and the Working Examples.

The process as claimed, therefore, cannot be used to make another and materially different product. The process as claimed is also believed to encompass all methods of making the product of claim 11 known to the inventors at this time and disclosed in the specification.

Prompt examination on the merits of claims 1-19 and 28-35 is believed to be in order, and is respectfully solicited.
